

Pike County

SHORTHORN BREEDERS' ASSOCIATION

ANNUAL SHOW AND SALE

BOWLING GREEN, MISSOURI

SATURDAY, NOVEMBER 2, 1963

On the Front Cover . . .

Scene at Fairmead Farms,
Bowling Green, Mo. The
bull is W L Consort 10th
sire of several of the
animals selling.

*Some of the Breed's Greatest Bulls
Are in Service in Pike County*

THEIR SONS AND DAUGHTERS MAKE UP THIS SALE OFFERING.

THEIR SERVICE IS A SPECIAL ATTRACTION.

Pictured above is the supreme champion of the first Canadian International Bull Sale at Toronto, where he sold to Charles Harness and Son, Middleton, Mo. He is Acadia Napoleon 53d by the \$25,500 Perth reserve senior champion Kinellar Napoleon that has sired two first- and two second-prize senior gets of sire at the International. The "53d" is being used on daughters of the \$6,000 imported Findowrie Augustus, a second-prize bull at Perth and a consistent show winner in 1959 for Les and Gene Mathers.

GENERAL INFORMATION

TIME — The show will be held at 9:30 a.m. and the sale at 12:30 p.m., Saturday, November 2, 1963.

LOCATION — The sale will be held at the Pike County fairgrounds, Bowling Green, Missouri. Bowling Green is also located on the G.M.&O. railroad between Chicago, Ill., and Kansas City, Mo. Burlington trains will be met at near-by Louisiana, Mo., if you will notify the sale manager of arrival. We will also make motel reservations for distant guests at either the Princess Motel, Myers Motel, or Show-Me Lodge at Bowling Green.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will assist in loading on cars or trucks in compliance with instructions from the purchasers.

GUARANTEE — All cattle will be sold according to the standard guarantee endorsed by the American Shorthorn Breeders Association.

A certificate of registry and a signed transfer will be furnished for each lot sold, and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease, and health charts will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests. Every person attending must do so at his own risk. The sale manager was retained by the Pike County Shorthorn Association for the specific tasks of preparing the catalog, handling the publicity and disbursing the receipts, and has no connection with the handling of the cattle or the condition of the premises.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

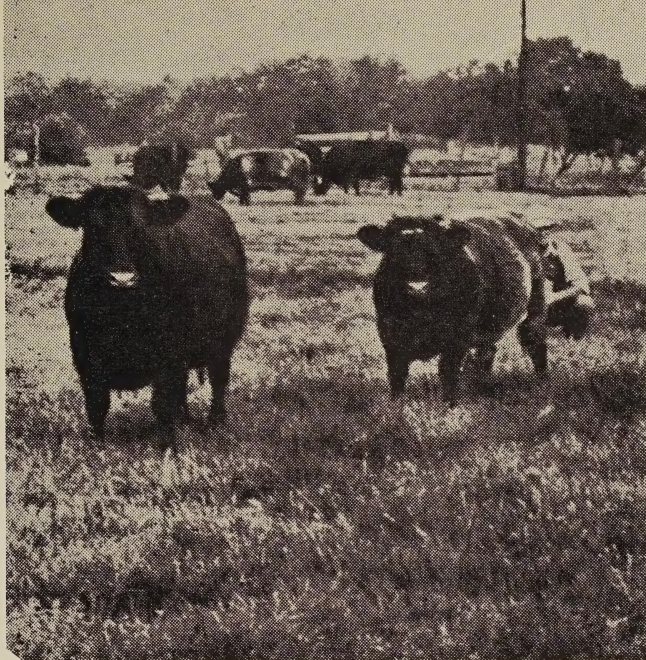

MAIL BIDS — Those wishing to buy at this sale, who cannot be present, may send their bids to the sale manager, Don Longley, of the Shorthorn World, 16 So. Locust Street, Aurora, Ill.; C. O. "Pete" Swaffar, Secretary, American Shorthorn Breeders' Association, Omaha, Nebr.; Allan Sudholt, County Agent, Bowling Green, Mo.; or to the auctioneer or consignors.

Auctioneer — Dick Kane, Wisner, Neb.

Sale Manager — DON LONGLEY, 16 So. Locust Street, Aurora, Ill.

CLUB CALF SALE

About 10 Club Calves will sell starting at 12:15 p.m. We are not certain of the exact number, since we solicit club calf entries right up to the time of the sale.

Replacement heifers at Fairmead Farm, Bowling Green, Mo.

From the Sale Manager . . .

Pike County, Missouri, has been an outstanding source for improving Shorthorns for more than 90 years. We cannot be certain of the exact year that this sale was established because it is older than the breed magazine which was founded in 1916. We do know that the Pike County Shorthorn Sale was flourishing at least 50 years ago. Nowhere in the nation will you find more outstanding Shorthorn herds within a 50-mile radius.

Nowhere in such a concentrated area will you find such outstanding sires. The sons, daughters, and service of great bulls from Scotland, Canada and the United States are featured in this sale. These bulls have proved themselves in the showring and in the pasture by siring calves worthy of their heritage. Pike County is no place for a second-rate herd sire, and you won't find one there.

This sale offering is the result of years of effort and friendly rivalry among the consignors. This year's cattle will match any in the long history of the sale.

DON LONGLEY, Sale Manager
THE SHORTHORN WORLD
Aurora, Illinois

SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

Grade A (Superior)—Blue Ribbon:
The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good)—Red Ribbon
These animals are good enough to improve a large percentage of purebred and commercial herds.

Grade C (Medium)—White Ribbon
These animals are average for the breed.

Grade D (Unclassified)—No Ribbon
These animals are undesirable breeding animals.

CLASS I—Bulls calved before Jan. 1, 1962.

Lots 1-2.

CLASS II—Bulls calved between Jan. 1, 1962, and April 30, 1962.

WAYMORE GUS 31st—A prospect for a herd bull. Well developed for his age, deep and thick.

Why Breed Mediocre Cattle?

... when cattle like these can be purchased for reasonable prices.

Backed by generations of constructive breeding, the cattle that go into the Pike County Sale have been acclaimed by good breeders from all sections of the country. Attend this sale. See how with just a small additional investment, you can pay for a top young bull or a foundation type female by shipping a worn-out cow or mediocre producer to market. Great herds are built by this kind of consistent upgrading. The time is now.

The \$5,000 Northwood Adventure, now in service in the Clarence Ralstin herd, Mullinville, Kan. This outstanding son of the \$50,000 Bapton Constructor is the sire of Lot 14.

BLUEPRINT'S RICKY — Has a straight top line and a nice head. We think he will look a lot like his sire some day.

And Now the Females . . .

The 39 females included in this year's sale are outstanding values. There are cows for those strengthening old herds or for the man who is starting a new Shorthorn establishment. There are cows with calves at foot and rebred . . . heifers carrying the service of some of the truly great sires of the breed . . . open heifers suitable for showing next year.

Year after year practical cattlemen take advantage of the unique values offered in the Pike County sale where the best bloodlines of the breed are offered at sensible prices. Why not follow their example?

Macbeth Metaphor, reserve grand champion of the 1960 Pike County Show and Sale, purchased by C. G. Foltz, Colchester, Ill. Top quality bulls like this one are typical of the values available in the Pike County Sale.

Pike County

Famous for Shorthorns Since 1870

Macbeth Metaphor, reserve grand champion bull of the 1960 Pike County Show and Sale. This animal is typical of a large number of consignments form the same herds to this year's sale.

For more than 90 years there has been an active group of Shorthorn breeders at work in Pike County. They have been diligently promoting Shorthorns and breeding top cattle. For generations Pike County has been known as a source of the kind that can strengthen herds everywhere.

All you need do is study the list of sires currently heading these herds. In almost every instance they were brought to Pike County at prices from \$2,000 to \$7,000. They include bulls imported from Scotland and Canada as well as the cream of American herds. They are sires that have won many championships and that are producing outstanding sons and daughters.

Experienced Shorthorn breeders recognize the unusual opportunities offered in Pike County sales where the best productions of these herds are sold annually. A list of those who have purchased in this sale includes herds from a wide area. Men who get around and who know good cattle and the best values regularly appear on the lists of Pike County buyers. They, like scores of others, recognize the unusual opportunities offered here each year.

Why Shorthorns Are Profitable

Shorthorns have topped the Kentucky Performance Tests for **four consecutive years**. Shorthorns led Angus and Herefords in average daily gains, adjusted average daily gains, in type score, index value and weight for each day of age.

In the 1961 Virginia Feeder Sales Shorthorns out-grossed all breeds. Shorthorn steer and heifer calves averaged slightly more than \$130 a head compared with \$121.52 for Herefords and \$126.39 for Angus. Shorthorn yearlings also out-grossed the other breeds in this sale series.

Why not let a Shorthorn bull go to work adding more pounds and more dollars to your calf crop?

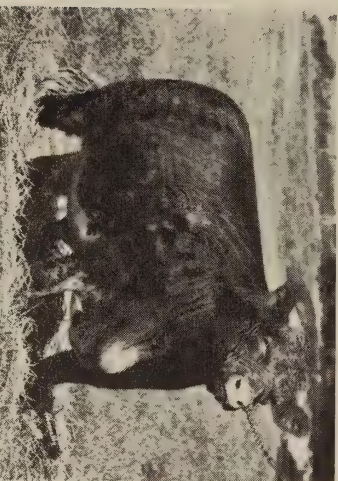

Waymore Secret B 22nd was champion and top-selling female of a former Pike County Sale. A large number of related animals will sell in this year's consignments.

The Club Calves . . .

Don't overlook the blue ribbon quality club calves selling at 12:15 p.m., just before the auction of breeding cattle. They are from the same bloodlines as the bulls and females in the sale. Similar calves have won for their exhibitors in the past. They can do the same for you.

Top-selling female in the 1961 sale was Augusta Mary G consigned by Fairmead farms. She sold with a bull calf at foot, typical of Pike County values.

Bo Wood Brave Boy 5th was reserve grand champion of the 1962 Pike County Sale for Bo Wood Farm, Clarksville, Mo. He sold to Glenn Berry, Shelbyna, Mo.

Waymore Secret B 22d
was the top-selling fe-
male of the 1959 Pike
County Sale. Lot 24 is
from the same family.

Take A Look . . . at these ranch results

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted. Catron did not guess—he weighed the calves.

THE BOX SCORE

Sire	No. Calves	Avg. Weaning Weight	Total Pounds
Shorthorns	47	330 lbs.	15,510
Polled Hereford	34	306 lbs.	10,404
Angus	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality beef. That's why he now is convinced of the advantages and reliability of Shorthorns. You, too, can harvest this kind of crop by using Shorthorns.

The most important sale series of the 1963 fall season . . .

SATURDAY, NOVEMBER 2
